The Passaic River QAPP/FSP Addendum for the Empirical Mass Balance Evaluation Project has been posted to PREmis digital library for your review. The document has been posted in two parts and can be accessed at: Superfund and WRDA Project Deliverables > Final Planning Documents > QAPP

Part 1, which contains the QAPP text and worksheets, is attached to this e-mail. Part 2 contains the attachments and Appendix A and will be attached to a separate e-mail.

Please contact me if you have any questions.

Thanks,

Jim McCann
